## How can i test mrx on ground

Posted by fbonnet - 2009/08/12 14:04

---

hello,  
is it possible to test mrx receiver on ground ?  
I set 5000 alt and maximum range but nothing is detected,  
is that normal ?  
bye  
francois

I don't know what your location was, but I know I see aircraft in the airport traffic pattern as I taxi in/out (as long as they have a transponder that is getting interrogated).
