
MRX - Face Plate & Hut Button

Posted by wombatair - 2009/01/13 23:11

Where can I get the new faceplate and a new hut button. Because my knob keeps falling off and is now somewhere in the airframe. Can I get faceplate and hut button sent to me...

I realize this is a rather late response, but for all those people out there who have the old-style MRX display, you can call us for an RMA number to upgrade to the newer, sturdier version. No more buttons falling off!
